Shelley Wright

Broker, Nationwide Real Estate

Nationwide Real Estate is a full service real estate brokerage serving the greater San Antonio area and surrounding communities. It is owned and managed by Shelley Wright, Broker, who brings with her 28 years of real estate experience. She also has 5 full time experienced realtors who operate as buyers and sellers agents.

Shelley has been serving as the preferred realtor for McMillin Homes since 2001. She has an excellent track record helping pre-owned sellers get their homes sold so they can move into their new McMillin home. She has also been accredited as a "staging" professional (ASP). Shelley combines her proven ability to price your home correctly, market it effectively to bring qualified buyers, and help "staging" your home to optimize eye appeal for a faster sale.

Listing your home with a professional is very important in today's challenging market. You should always hire a realtor with a proven track record to sell your home at the best price and one with a successful proven marketing plan. Shelley can do all of this for you and work around your moving plans to make the process of moving from one home to the other very smooth.

Give Shelley a call today at 210-391-7999 for your free market analysis, free staging tips, and "net \$ sheet" so you can make your plans to move.
